

POSITION: Industrial Hygienist

Key Responsibilities:

CTSI is seeking an Industrial Hygienist or a Certified Industrial Hygienist. The selected candidate must possess a thorough knowledge of Federal, State, and Local laws in Environmental, Health & Safety in order to provide a rigorous scientific methodology to assess possible environmental and workplace hazards that may exist within a space or organization.

Position type:

Full time (Hybrid)

Responsibilities may include, but are not limited to:

- Provide Indoor Environmental Quality (IEQ) Assessments; Microbial Contaminants & Remediation (Mold & Bacteria); Asbestos and/or Lead Investigations; Asbestos and/or Lead Abatement Monitoring, and other environmental consulting services.
- Conduct regular audits of EHS processes with follow up to ensure compliance.
- Ensure proper PPE, safety devices, and ergonomic equipment are available and used in an appropriate manner.
- Coordinate, communicate, and support implementation of EHS regulatory inspection activity and lead EHS projects to improve key performance metrics.
- Collect samples for asbestos, lead, dust, gases, vapors, and other potentially toxic materials for analysis.
- Recommend measures to help protect workers from potentially hazardous work methods, processes, and/or materials.
- Develop and maintain safety & hygiene programs such as noise surveys, continuous atmosphere monitoring, ventilation surveys, and lead/asbestos management plans.
- Inspect and evaluate workplace environment, equipment, and practices in order to ensure compliance with safety standards and governmental regulations.
- Support and implement EHS training programs & assessments to ensure the required trainings are identified and conducted.

QUALIFICATIONS:

- Minimum B.S. in Environmental Science, Engineering, or any science-related major.
- Entry-level environmental science, engineering, or a science-related major, or an Industrial Hygienist or a CSP with related EHS experience.
- Strong technical writing and verbal communication skills.
- Valid Driver's License with access to transportation (work-related travel reimbursed).
