Access the Voice Portal

You can access your personal voice portal using your own phone, or another phone. To log in, dial one of the following:

- Your phone number/extension
- Group voice portal number/extension
- Location code/extension
- Enterprise voice portal number/extension (if enabled)

Your administrator provides you with the phone number/extension for the group and/or enterprise voice portals. (This guide refers to both as the voice portal number/extension.)

NOTE: Your voice portal may be configured with keypad numbers and menus different from those listed on this card. If so, please see your group administrator for more information.

First Log in With Voice Portal Wizard

Dial your phone number/extension or the voice portal number/extension, and then:
1. If requested, enter your phone number.
2. Enter a new passcode at the (voice portal wizard) prompt.
3. Re-enter your passcode at the prompt.
4. Record your name at the prompt.
5. Press #.
