

THE
REDUCETARIAN
FELLOWSHIP

Want to create a more sustainable, healthy and compassionate world?

Apply now for the Reducetarian Fellowship!

HELP THE
PLANET

IMPROVE
HEALTH

SAVE
ANIMALS

The Reducetarian Fellowship is designed to foster a more diverse, sustainable, and impactful movement by empowering bright, passionate, and ambitious young advocates and innovators to transform our food system.

- One-year program for undergraduates
- Individualized mentorship and guidance
- \$7,500 stipend per fellow
- Summer internship at a partner organization
- Seminars and workshops with experts and leaders
- Lifetime access to a growing alumni network

Join the movement to transform the food system!
